

## Free Resources During COVID-19

Due to the emergency situation and closing of universities / institutes, several publishing houses and databases have given free access to their materials that can be now used by the students, researchers and employees of the Indian Statistical Institute (including all outlying Centers / Branches/Units). The details of the same is given below.

Apart from this, library resources can be accessible through online mode (<https://ldisd.isical.ac.in/>, <https://library.isical.ac.in/>, <http://192.168.143.130:8080/jspui/>). When outside ISI network, most of our online resources (eBooks & eJournals - <https://library.isical.ac.in/e-resources.html/>) can be accessed via RemoteXs (<https://libraryisikolkata.remotexs.in/>). If you don't have a RemoteX User Id, please contact the undersigned.

Thanks & Regards
